**IMPORTANT**

**Teams MUST use the referee allocated on this sheet to referee their match. It is not permitted to use another referee before confirming with me first.**

Referees who have not been contacted must also let me know on Tuesday. Matches can then be reallocated in plenty of time. It is important that teams KO at the time given to Clive as am changes to pm or vice versa means their referee may not be available. If the KO time is not correct then notify him of the correct time.

Teams can ask for assistant referees to be appointed. I will try to accommodate when we have referees without a match.

**General information**

**Referees must report all cautions, sendings off and misconduct to the county FA.**

All referees are required to be registered with their county FA and must wear the correct colour kit as permitted by the county FA. On match day referees must arrive to referee in plenty of time and the team managers must identify themselves to the referee. A pitch inspection should be carried out to ensure that conditions are suitable for play.

Referees not allocated a match should send me an email or message confirming your availability ie am pm or both.

**WARNING**

It was recently reported that one of our referees had his car stolen by thieves who obtained his car keys from clothes left in the changingrooms during the match. Please be aware that unless the home team are able to confirm that the changing rooms are safe to leave belongings it would be advisable to leave valuables with someone who will look after them during the game.
