Guidance on mini soccer laws of the game.

Can I remind any referees appointed to mini soccer matches that throw ins and passes to the goalkeeper when the goalkeeper pick ups the ball must be penalised by the award of a direct free kick. If the goalkeeper is inside the penalty area the free kick should be taken from just outside the penalty area where the ball entered as a penalty should not be awarded.

WARNING

It was recently reported that one of our referees had his car stolen by thieves who obtained his car keys from clothes left in the changing rooms during the match. Please be aware that unless the home team are able to confirm that the changing rooms are safe to leave belongings it would be advisable to leave valuables with someone who will look after them during the game.

General information

Teams must contact their referee and opponents by Tuesday at the latest. If there is a problem making contact then send me an email or message on Tuesday evening. Referees who have not been contacted must let me know on Wednesday. Matches can then be reallocated in plenty of time. It is important that teams KO at the time given to Clive as am changes to pm or vice versa means their referee may not be available. If the KO time is not correct then notify him of the correct time.

All referees are required to be registered with their county FA and must wear the correct colour kit as permitted by the county FA. On match day referees must arrive to referee in plenty of time and the team managers must identify themselves to the referee. A pitch inspection should be carried out to ensure that conditions are suitable for play.

Referees not allocated a match should send me an email or message confirming your availability ie am pm or both

Jim Breider.

Referees Secretary.
