

Chairman's Column:

I have decided to keep this month's edition much shorter than usual, as at this festive time I am sure you have much more entertaining things to do than read our newsletter!

The Full League Meeting on 26th November did cover our intentions for the New Year and we will continue to work with you to ensure that the league runs efficiently. We are working with the DCFA to resolve our issues with referees and as always I rely upon your patience and resilience as the issue resolves itself.

I would like to take this opportunity to thank the management committee for the tremendous amount of work they have put into getting this season up and running and the constant hours they give up to ensure your RDYFL works for you.

I thank you for reading this month's shortened edition and I wish you a very Merry Christmas and a fantastic New Year. Keep safe and we look forward to working for you in 2016.

Chesterfield Futsal League

The new CFL starts in the New Year with a demonstration game and a coaching event on 29 January, and the first matches on 5 February. The League will be based in the brand new Queen's Park sports hall on Fridays from 17:00 to 19:00. It will start with competitions for U7/8 and U9/10 but over the year hopes to cater for all youth age groups and perhaps adults as well, with opportunities for women's competitions, coaching and refereeing courses.

If you'd like to know more visit chesterfieldfutsal.com where you can catch up on the latest news, see how the league will operate, read the league rules and can download registration forms. You can follow CFL on Twitter @Futsal_CFL

We need referees!

- *Interested in a referees course?*
- *Want to referee on Saturdays or Sundays?*
- *Looking to develop yourself and young people?*
