If possible would you let me have copies of birth certificates/medical cards and not the originals. The League do not take responsibility if they go missing. Names of players must be on the back of all photographs. If you require updated ID cards ie U12's, & U15's, would you please let me have a new photograph with the players name and number on the back, also enclose a stamped addressed envelope.

We are now registering over 3500 players each season so it would be appreciated if you could let me have the bulk of your signings by the end of July or early August.

After the first Sunday in the playing season (when registrations are to be in by the previous Sunday for the player to be eligible for the first Sunday of the season). For the remaining Sunday fixtures the registrations have to be with me on the Wednesday prior to the Sunday fixture for the player to be eligible.

For midweek fixtures the player must be registered 72 hours before that fixture to be eligible to play. Registrations must be sent to the relevant Registrar and no-one else. Failure to do this will cause delays in registration and even if it is in the hands of any League official other than the Registrar prior to the deadline the player will be ineligible to play.

Do not forget you must have at least 8 players registered with each team by the 1st September. You are allowed 16 registrations per team (14 for Mini Soccer), you will be invoiced £2 per player over the 16 at the end of the season. Please do not send cash or cheques for these to the Registrar. All Transfer forms must be accompanied with a stamped addressed envelope.

PLEASE READ THE RULE BOOK PAYING PARTICULAR ATTENTION TO THE AMENDED RULES REGARDING TRANSFERS AND LATE REGISTRATIONS.

Would Secretary's ensure that all Managers receive a copy of the above
