

Dear All Club Secretaries & Team Managers.

May I remind you that the closing date for Re-Registering your Club/Teams (and New Teams Registering) with the RYDFL for Season 2010-11, is Friday 30th July 2010 (no later). So whosoever reads this note, please ensure your Club Secretary is taking action to re-register your Club/Team for next season.

For acceptance of Re-Registration and or for New Clubs seeking to enter the RYDFL, the following forms need to be completed in full and legibly and be received by me by Friday 30th July 2010:

1) 'Application For Re-Membership Form Season 2010-11';

AND

2) 'Directory Details Form' for each team you are entering into the league e.g. two teams 1 x U10; 1 x U11; you will need to complete two forms - one for U10's and one for U11's;

The Forms are available for download from the RYDFL website. They can be sent electronically to me:
